

AeroNDT2023

The 14th International Symposium on NDT in Aerospace

November **5-8**, 2023

The Westin Josun Busan Hotel, Busan, Korea

Welcome Message

The 14th International Symposium on NDT in Aerospace will be held at ‘The Westin Josun Busan (<https://josunhotel.com/hotel/westinBusan.do>)’, in Busan, Korea, November 5-8, 2023. The main scope of this symposium is DX (Digital Transformation) based NDT and Reliability Engineering, and the symposium brings together leading experts in these fields to discuss the latest advances and challenges in these areas. Researchers, engineers, and practitioners from academia, industry, and government are invited to submit their original contributions to the symposium.

AeroNDT2023 will provide the researchers in these fields with wonderful opportunities to exchange ideas, share research results, and discuss the latest developments in various topics. Topics of interest include, but are not limited to, NDT Methods, NDT Systems, NDT Implications, Material Characterization, Component Inspection, Numerical Simulation, Data Management, Reliability Engineering, Standard & Certification, Structural Health Monitoring, and Prognostics and Health Management.

Busan, which is known for its rich cultural heritage, modern infrastructure, and stunning natural beauty, is an exciting venue for AeroNDT2023 to be held. Attendees will have the opportunity to network with fellow experts in their fields, attend Keynote speeches, special sessions and exhibitions, and experience the unique cultural offerings of the region.

We look forward to seeing you at AeroNDT2023 in Busan, Korea!

Younho Cho
Chairman of AeroNDT2023

Jong Won Park
Co-chairman of AeroNDT2023

Topics of Interest include (but are not limited to):

DX (Digital Transformation) based NDT & Reliability

- NDT Methods
- NDT Systems
- NDT Implications
- Material Characterization
- Component Inspection
- Numerical Simulation
- Data Management
- Reliability
- Standard & Certification
- Structural Health Monitoring
- Prognostics and Health Management

Important Dates

Abstract submission deadline	July 31, 2023	Notification of acceptance	August 15, 2023
Presenter’s registration deadline	August 31, 2023	Early registration deadline	August 31, 2023
